

The Promise: Play Script

Man : Mmm...How delicious! I love eating, especially on the beach.

The sound of the waves makes me feel lazy
So, I'm going to have a rest and then I will swim and play

(suddenly, all humans' garbage was rejected from the sea)

Oh! My God! Where am I? Where is the beautifulness of the sea?
Oh! What happened to the lovely beach?

Monster: Damn! You have turned our life into hell!

Man : But, my God! Who are you?

Monster: I am the Monster of the Sea, Land and Air.
I am the Defender of this poor Earth that you have made it
suffering and crying.

Man : I am sorry... I didn't mean to harm it.
I just...

Monster: Be quiet! Don't say anything more.

You have filled this beach with your litter
Your ships spill oil in the sea.
Your cars and factories made the air unclean.

That's why you must be punished.

Chorus : Let Pollution Out
We Can Do Without

Let's Confess
Pollution Is A Mess

Stop Pollution
Make Solution

1 : You are responsible for Smog and Acid Rain
You caused these holes in the ozone layer
Kids are sick and have breathing problems, because of you

2 : Food becomes contaminated and unhealthy because of your
pesticides
You have damaged trees and plants, that's why many animals
disappeared. Don't you know that you are destroying their
homes?

3 : Water is no more safe and clean
Fish and other sea creatures are dying

Chorus : So, you must be punished! You must be dead!
You are Dead! You are dead!....

Oh, please Help me help help

Man : Oh! Thanks God
I was dreaming... It was really an awful Nightmare!

From now on I will never harm my environment.
I will do my best to save and protect our wonderful planet.
It's a PROMISE.
Look my friends at our beautiful Earth and let's all agree to protect
it
